Hi Emily,

After careful consideration, we are writing to inform you that Pioneer Energy Solutions is cancelling our Sponsorship Agreement with you for the Clean Future Voices Campaign, effective immediately.

This decision was not made lightly. However, the promotional content you published on March 1, 2026, was not authorized, does not align with our campaign messaging, and has caused internal and external concerns.

Pursuant to Section 8 (Termination) of our Agreement (PE-2026-0174), we are exercising our right to terminate the Agreement.

Please confirm receipt of this notice. We will follow up separately regarding next steps and any outstanding obligations.

Sincerely,

Daniel Harper
