APPEAL DECISION – TERMINATION UPHELD

Hello Emily Carter,

We have reviewed your appeal received regarding the termination of your Gen Chorus Voice account.
After careful review, we have decided to **DENY** your appeal and **UPHOLD** the termination of your account.

Appeal ID:	AP-33871-EC
Account:	@emilycvoice (Emily Carter)
Date of Decision:	March 2, 2026
Reviewer:	J. Patel, Appeals Specialist
Post at Issue:	Post published March 1, 2026 (image and caption)
Reason for Appeal:	Inadvertent upload – wrong file selected
Decision:	Appeal denied. Account termination upheld.

YOUR EXPLANATION

You stated that you intended to upload a different image for a political commentary post about a city council meeting, but accidentally selected the wrong file (an image of matches with the caption "We will win this fight."). You provided the draft of your intended post and explained that you removed the mistaken post as soon as you realized the error.

OUR REVIEW

We reviewed the materials you submitted with your appeal, including:

- The content of the post published on March 1, 2026 (image and caption).
- Your explanation that the image was uploaded by mistake.
- The draft of your intended post and related materials.
- Your account history, including prior violations and warnings.
- Our Community Standards and Terms of Service.

ACCOUNT HISTORY

Jan 10, 2026 – First violation
Warning issued Jan 11, 2026

Feb 4, 2026 – Second violation
Warning issued Feb 5, 2026

Mar 1, 2026 – Third violation
Account terminated Mar 2, 2026

While we considered the context and the information you provided, your explanation does not overcome the evidence of a continuing pattern of violations.

KEY REASONS FOR OUR DECISION

- The March 1, 2026 post violates Section 11 (Violence and Incitement) of our Terms of Service by advocating violent resistance and the use of force.
- The posted image and caption closely mirror the themes, tone, and message of your prior violations.
- You have received two prior warnings (Jan 11, 2026 and Feb 5, 2026) advising that further violations may result in suspension or termination.
- Our Terms of Service allow us to consider prior violations, warnings, context, apparent intent, and information provided during an appeal when determining an enforcement action.
- This third violation, after prior warnings, constitutes a repeated violation of Section 11.

DECISION

Your appeal is **DENIED**. The termination of your Gen Chorus Voice account is **AFFIRMED** and will remain in effect.
You will not be able to access or use your account.

WHAT THIS MEANS

- Your account has been permanently terminated.
- You may not create a new account to evade this enforcement action.
- Content you posted that violated our Terms of Service may remain in our records.

Sincerely,
J. Patel
