Valencia will provide inventory-management support for the products covered by this Purchase Order, consisting of inventory review, replenishment recommendations, and a post-delivery inventory report.

Inventory-management service charge	$1,875.00
Purchase Order Total	**$29,000.00**

3. DELIVERY

Delivery Location: Monterrey Fleet Solutions, LLC, Henderson, Nevada

Supplier will deliver the Products on or before February 9, 2026, subject to the terms of the Supply & Services Agreement. Supplier will provide a packing slip or other delivery record identifying the Products and quantities shipped.

4. PRICING AND ORDER TERMS

1. The unit prices stated in this Purchase Order apply to the quantities listed above unless modified by a written agreement signed or otherwise accepted in writing by both parties.

2. The inventory-management service charge is authorized for the service described above.

3. Applicable taxes and shipping or delivery charges are excluded unless separately identified and authorized in accordance with the Agreement.

4. This Purchase Order is subject to the Supply & Services Agreement effective January 15, 2026.

5. In the event of a conflict between this Purchase Order and the Agreement, the Agreement controls unless this Purchase Order expressly identifies the conflicting provision and states that the parties intend to modify that provision for this order.

6. Changes to Products, quantities, prices, delivery requirements, or Services must be agreed in writing by both parties.

5. BILLING

Supplier may issue an electronic invoice following delivery of the Products and performance of the applicable Services.

Payment terms: Net 30 days from invoice date, subject to the terms governing disputed and undisputed amounts under the Supply & Services Agreement.
