Supplier: Valencia Industrial Supply, Inc.
Invoice: VP-INV-260210
Purchase Order: MFS-PO-260201
Starting Balance: $20,000.00

Adjustment / issue	Amount	Respondent treatment	Account basis
Invoice balance after payment and credit	**$20,000.00**	Starting balance	$29,500 invoice less $8,000 payment and $1,500 credit memo.
Expedited delivery / handling	**($500.00)**	Proposed deduction	No separate written approval of the $500 amount located in the reviewed records.
Four oil filters	**$0.00**	No separate deduction in base position	The $1,500 credit was posted as a quantity/billing adjustment; no additional filter c is included in the base calculation.
Inventory-management service	**($1,875.00)**	Proposed deduction	Service records show setup completed, receiving reconciliation performed/partial, final variance review incomplete.

CURRENT BASE POSITION

$17,625.00 $20,000 – $500 – $1,875

Alternative treatment if the four-filter discrepancy is found to be additional to the $1,500 credit: $17,625 – $168 = $17,457.
