PROVISIONAL AP POSITION

Proposed amount payable at this stage: approximately $11,000.00

This is a provisional internal reconciliation, not a final admission of liability or a determination of the contractual amount due.

The proposed amount remains subject to review of supplier records and resolution of the disputed invoice components.

The accounting team used the $20,000 supplier-stated balance as the starting point after the recorded $8,000 payment and $1,500 credit.

Open reconciliation items

1. Obtain written support, if any, for the $500.00 expedited delivery / handling charge.
