Subject: Purchase Order MFS-PO-260201 — February Maintenance Order

Sofia,

Attached is Monterrey Fleet Solutions' purchase order MFS-PO-260201 for the February maintenance order.

The purchase order reflects the quantities and unit prices set out in the attached PO. It also includes the $1,875.00 inventory-management service line. The total purchase order amount is $29,000.00 before any separately applicable taxes or charges expressly authorized under the order terms.

Requested delivery is February 9, 2026, to our Henderson, Nevada facility. The PO provides Net 30 payment terms.

Please confirm receipt and acceptance of the purchase order. If Valencia cannot fulfill the order on the stated PO terms, please let us know before shipment so the parties can address any proposed change in writing.

Thank you,
Elena Castillo
Controller
